## AFJROTC Cadets Visit IMAX Theater

On April 24th, Air Force Junior ROTC cadets from Owen Valley High School visited the IMAX theater at the Indiana State Museum in Indianapolis. Eleven cadets watched the 3-D movie, "Operation Rescue." This film shows the efforts of civil and military organizations as they prepare and react to man-made and natural crises around the world. It follows four first-responders to gain an understanding of the skills and efforts needed to provide life-saving assistance to individuals and communities. Responders are deployed to aid those affected by natural and man-made disasters — moving troops, transporting supplies and food, providing medical treatment and rebuilding communities.

## Area Youngsters Enjoy Success In Outdoors

Many young area outdoors enthusiasts have been busy as of late throughout Owen County. Most recently, Nicholas Sips bagged his first bird, a 24-pound turkey with 26-inch spurs and an 11-inch beard.

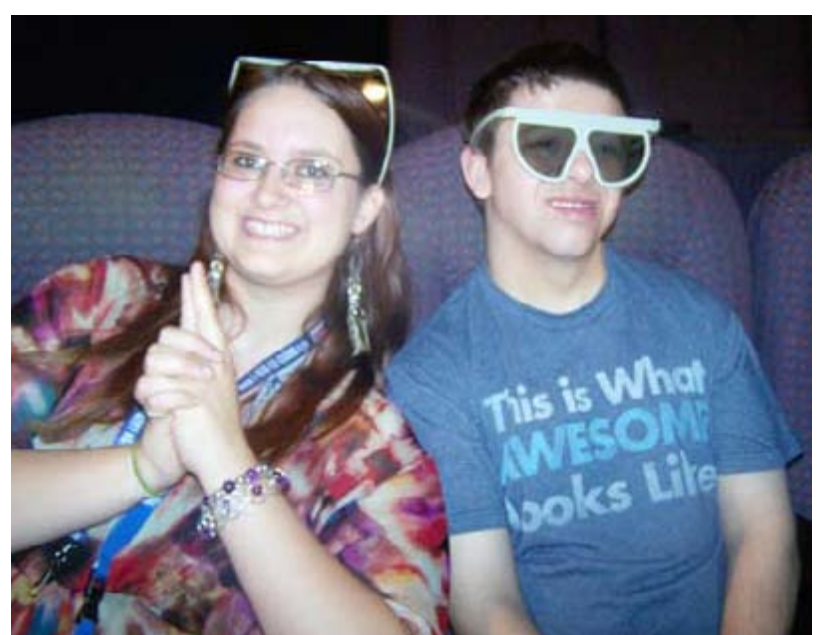

Meanwhile in a local farm pond, Rachel Howell landed a nice six and a half pound bass utilizing a crank bait, which took nearly 10 minutes — with a little help from her mom — to net.

Elsewhere in the woods, Solsberry hunter Jacob Williams checked in just the third 40-milimeter spur turkey at Spencer Bait & Tackle, located at 2310 State Road 46E, in the past 25 years. The 23-pound bird also had an eleven and a half inch beard. Jacob said it took he and his father an hour and a half to call the turkey in from the field to within 10 feet of his hunting position.
